

Coach Pick-up Points

Here at the Glendevon Hotel, we work with a local coach company providing luxury coaches for pick ups from our designated areas direct to the hotel.

We have luxury single-decker coaches that have 49-53 seats with stereo music, radio, cassette or CD and facilities for cold drinks. There are also individual reading lights, reclining seats, fresh air ventilation and/or air conditioning, toilet and wash basin, tinted anti-sun glass, experienced friendly and helpful drivers on board.
